

Richfords

Meaningful work, in a values based organisation

Wanted

***Operational Incident Manager
at Redruth, Cullompton or Bracknell***

You love work, you love solving problems, you're enthusiastic, good company, like people, like detail, love good outcomes, love to cover all the bases, love to leave work satisfied and appreciated, love to help your colleagues achieve success, love to use technology to help you achieve a result, love to learn new things. You like listening to customers while they explain their needs, know how to raise your colleagues mood on those tough days, welcome appreciation and thanks, get pleasure from puzzling out a solution to complex customer requirements. You're known for getting a lot done, quicker, more productive than the average.

Richfords Fire and Flood work in a "hidden" sector, not known to many. We're in the business of ***Giving People Their Lives Back*** after unexpected property damage. Based in Redruth we service the whole country through our depots. Well established and respected, we are a values based organisation. ***As important as the skills you bring is that your values closely match our values.***

We are entering a further expansion phase and have several job opportunities. From Administrator to Claims Administrator and Operational Incident Manager. If you are already an excellent administrator, a successful team leader, a graduate or an MBA then we could have a great job for you. If you are interested in working for Richfords then please get in touch. Email recruitment@richfords.com. We'd very much like to hear from you.
